Association for Weber County Urged Report That Missing Witnesses in by Joseph S. Peery and Meeting Is Called.

For the purpose of organizing a good roads association for Weber county, Joseph S. Peery has called a meeting at the Weber club for next Tuesday evening. The announcement comes as the culmination of a "hobby" entertained by Mr. Peery for a long time, more especially since he became an enthusiastic autoist. Upon reaching home he began the work of laying plans for perfecting an organization that plans for perfecting an organization that might bring Utah abreast with the times

as far as roads were concerned.

Mr. Peery is a strong advocate of building an oiled macadamized road between Ogden and Salt Lake. These roads are oiled once in every three months and as a result become hard and smooth and entrely free from dust. The father of the started for Nevada. movement says that good roads do not come without an effort, and for one he is willing right now to make the effort. The plan he has for a good roads club o association is to take in both automobil drivers and horse drivers as well as all others likely to be interested in the betterment of the highways. A permanent organization will be the first essential and meetings will then be held monthly.

Block of Ground.

The first steps of what is believed to be a tangible movement looking toward the erection of a new freight house for Ogden have been taken by the Harriman people, who for some time have been securing options on property in the southwestern part of the city, it is believed, for a freight depot site. EXTRACT FROM LETTER RECEIVED FROM CONTRACTORS. "Will state further that the contract provides that you must have all pianos out of the way of possible damage not later than Saturday, Oct. 12th. We hope you will comply with this, as we wish to begin work on your building on Monday, Oct. 14th."

It's up to us.

The above extract from letter is what we received in answer to our appeal for a little more time in which to close out this stock.

The contractors have made arrangements for other work to immediately follow work to be done for us, and they will not permit this chance to escape runa, and it never fails to do all I wish refuse to change their plans. Notwithstanding the fact that during

never be duplicated here or elsewhere. And on terms to suit. Many will go at their simple cost of

manufacture. Others at even less than cost.

Best Bargains Are Left.

This is particularly true as to the quality of the instruments. They are of the higher grade makes, but we are going to offer them at prices this week that will be even less than you would ordinarily have to pay for the cheap kind at any other time or place.
